

Women Build 2019

Is today YOUR day to get involved?

Celebrating 30 years of building affordable homes in Washington County, we are pleased to announce

Women Build 2019

26 Teams, 260 Women, 2 Goals: raise \$ 40,000 and build a house!

Women from your area and all walks of life are joining together to build a home for a low-income family in Beaverton. Will you help us achieve our goal of a world where everyone's home provides safety, security, and self-reliance? We need volunteers to help us build; and while Habitat for Humanity is known for bringing the community together to help each other, manual labor alone can't build a house. Before the first nail is struck, we must raise \$ 40,000 of the \$ 120,000 needed to build the house.

Perhaps you can help with one or both of these

ARE YOU READY TO POUND SOME NAILS!? We're looking for 260 volunteers to help build on days set aside in March, April, and May. Is that you? Your friends? Maybe your co-workers or social group? We'd love to have you come out and build, NO EXPERIENCE NECESSARY.

WILL YOU HELP US RAISE MONEY? We are not responsible for 100% of the house cost (whew!), but \$ 40,000 is a significant goal and we can't do it without your help. While a donation is not required to participate, we hope you will consider making a gift of any size to help us fund the home.

DO YOU WANT SOME GREAT PR? Habitat for Humanity is the #1 social service brand in America. Who better to be paired with than an organization working for the day when everyone has the stability and security affordable housing brings. Align yourselves with us by becoming a Women Build 2019 Sponsor. Opportunities range from \$ 500 - \$ 2,500 (see reverse).

FINALLY: Women Build is NOT about excluding men. Women, and all their allies, are invited to gather together, support Women Build efforts, and help us change the lives of a Washington County family in 2019.
